

PI S Executive Profile

TITLE: VP Commercial Operations & General Counsel

LOCATION: Calgary, AB

RELOCATE: Yes No Possibly

Currently the Vice President of Commercial Operations & General Counsel at a leading oil and gas services company, with strong commercial and legal experience on both the producer and service company side.

Recognized commercial and legal leader with a breadth of geographic, functional and industry experience, committed to practical and effective execution. Extensive experience in Canada and the United States, and in contracting and compliance internationally. Entrepreneurial approach with a passion for customer service and a drive to team with internal business partners to deliver commercially reasonable and practical risk-appropriate solutions that satisfy business and customer needs.

Seeking a senior leadership role that partners with and supports the efforts, and increases the effectiveness, of the CEO. The preferred role oversees the legal, compliance and other appropriate administrative function, as well as discrete problem-solving projects, in a growing and innovative organization.
