

TALENT MANAGEMENT AS A SERVICE (TMaaS)

The TMaaS solution is designed to meet the hiring requirements of your business growth in 2024.

Our team can handle the ebbs and flows of your hiring requirements, quickly scaling up for additional activities.

With our dedicated team, customized services, and competitive pricing, we are confident that a partnership with The CPA Recruiter will yield significant benefits for your organization.

COST OF SERVICE

The cost structure of TMaaS depends on a committed number of placements within a one-year agreement. When the appropriate volume of candidate placements is chosen, the fee structure provides the best possible rates.
